No	Issue	Discussion	Action	Member in discussion
1	Payment simulation.	It has been a continuous discussion whether the team should implement payment or not. The client proposes that the team use a Paypal sandbox, to simulate a payment.	Sefira will research about the paypal sandbox.	Sefira
2	Reset password.	The reset password is planned for sprint 4.	Robin will attempt to create an automated reply message system to an email.	Robin
3	History booking.	History booking should have been included in the sprint 3 feature. The team will attempt this possibly on sprint 4.	Rearrange trello board	All members
4	UI/UX refinement.	The frontend team plans on focusing UI/UX refinement.	Discuss about how to make the UI/UX better	Stella, Sarah
5	Focus on making testing documents.	The team should prepare the testing documents for every feature soon.	Discuss the format for testing management documents	All members
