# Vroom ISSUES REGISTER

**Project:** **Vroom Car Share Scheme**
**Project No:** **1**
**As At:** **05/11/19**

| No | Description | Impact | Date Raised | Phase Raised | Allocated to | Resolution Strategies / Actions | Date Closed |
|----|-------------|--------|-------------|--------------|--------------|--------------------------------|-------------|
| 1 | Routes that need authorization token can't be accessed in production environment | C | 16/8/19 | Development | Sefira | Put JWT_SECRET key manually in Heroku's environment variable instead of using '*php artisan jwt:secret'* command like in local environment | 16/8/19 |
| 2 | Heroku can't store image locally to its server | H | 5/09/19 | Development | Sefira, Ignatia, Sarah | Modify the DB to store the image as base64, convert the image to base64 in the server side, convert back to image in client side | 5/09/19 |
| 3 | Database store coordinate the wrong way | H | 09/09/19 | Development | Sarah, Sefira | Find out the correct way to store the coordinate, modify the DB | 09/09/19 |
| 4 | No price stated for every car | C | 01/10/19 | Development | Sefira | Modify the car DB and controller so it has a price column | 01/10/19 |
| 5 | Angular can't accept http response 302 from PayPal | H | 10/10/19 | Development | Sefira | Make a frontend page with Laravel Blade that contains a link to PayPal payment | 10/10/19 |
| 6 | Google Geocoding API is a paid feature | M | | Development | Sarah | Use Leaflet instead | |
| 7 | Production DB storage is too full, lost storing privilege for a moment | C | 06/09/19 | Development | Sefira | Update the DB plan from the free version (500MB) to a paid version (1GB) | 06/09/19 |
| 8 | Sendgrid SMTP account suspended due to username and password of the account in .env file was publicly published on Github | M | | Development | Robin | The repository must be set as private or either need to remove the username and password of the account or remove the .env file. Then change the password of the account and notice them that all the steps have been fixed. | 17/10/19 |
